JULIAN HYDE - Manager

The Time-Herald is particularly pleased to call attention to the statements of the condition of our two banks which appear today. The total footing of the First National is over the half million mark and the Harney County National shows a flattering increase in business since the last report. Both have big deposits and an abundance of cash. Nothing shows the prosperity of the Harney county than the condition of these two solid financial institutions.

Malheur county has begun a systematic improvement of her county roads and from reports the result is very satisfactory. The county court has invested in some modern road building machinery and finds the investment a good one as a greater amount of work can be done with less cost. Harney county will no doubt be in line at once and place her roads in fine shape. We have the material for the best roads in Eastern Oregon and the sooner we get permanent roads the better.

#### A THREATENED CONFLAGRATION.

The fire alarm sounded between 10 and 11 o'clock Tuesday night when a small blaze was discovered in an old closet adjoining the White Front barn in the rear of the lot being cleaned up by Robt. Davey on Main St. Before the fire engines could be got into action the fire had gained considerable headway and threatened the entire block but a large crowd was on the ground and with buckets succeeded in keeping it checked until a stream was started from the hand engine.

This is a very dangerous block and it has stood much longer than old times ever thought. Burns has been lucky in the way of fires and it should hasten to secure adequate protection.

This block contains two big livery stables and the French hotel. Should a fire get headway there it would wipe out almost the entire business district.

#### LYNCHERS FOUND GUILTY.

J. H. Caseday, the Grant county deputy sheriff implicated in the lynching of Olive Snyder last Christmas, was found guilty of murder in the first degree by a jury in the circuit court at Canyon City yesterday morning.

At the regular term of court in May Ben Hinton, one of the accused men was convicted of second degree murder and after his conviction Hinton told the officers all about it and was a witness in the Caseday case. After Caseday's conviction the others awaiting their trial, Earl and Bert Green pleaded guilty to second degree. This is the information received by telephone yesterday by Wm. Farre.

Oliver Snyder shot and killed Arthur Green last Christmas at a sheep camp near Monument. He was arrested and J. H. Caseday was in charge of the prisoner to take him to Canyon City but stopped at Hamilton for some time. He was seen talking to

Ben Hinto and the Green boys, brothers of the man who was killed. Caseday finally left with his prisoner and refused aid from those who volunteered to accompany him. The prisoner was taken from him and shot. Hinton talked too much while under the influence of liquor after the affair with the result that all were finally indicted. The testimony of Hinton showed that Caseday was one of the conspirators.

It is possible, according to rumors, that others sensational developments will follow these trials and confessions.

#### EXPERT SHOOTING EXHIBITION.

Capt. W. R. Parker, representing the Remington Arms Co. and the Union Metallic Co., will give an exhibition at the Fair grounds Sunday afternoon just preceding the ball game. Capt. Parker is perhaps the best all round shot with rifle, shot gun or pistol that travels and his exhibition will be a great treat to local nimrods. He will show the power and efficiency of the ammunition sold by his people in a way that will prove their worth. His work is most highly commended by all who have seen him and it is fortunate to have this added attraction.

Remember this exhibition comes just before the big ball game scheduled between the Prairie City team and Burns. The exhibition will begin promptly at 2 o'clock.

If you want to make a trade, sell your relinquishment or other property the Inland Empire Realty Co. will be of great assistance to you. They have sold others and can sell yours.

#### MAN KILLED ON STEENS MOUNTAIN.

A shooting affray on Steens Mountain resulted in the killing of James Leonard, a man about 70 years old, by Dick Williams. Both were herding sheep, the former for Thos. Turnbull and the latter for Dick Smith. It seems Leonard was a very quarrelsome old man and had threatened Williams, in fact had driven him off the range a short time before. Monday morning he came to Williams' Camp and threatened to cave his head in with the butt of his rifle but upon approaching him he threw the gun in position and was apparently attempting to throw in a shell. Williams then shot him the ball entering the breast. After staggering a short distance Leonard fell forward and Williams fearing he would shoot him he caught Leonard's gun and began extracting the shells from the magazine but in doing this, in his excitement he discharged two or three.

Ralph Hutchinson was an eye witness to the tragedy and substantiates this story of the killing. Williams came to Diamond and telephoned the sheriff and Mr. Richardson went out in his auto and placed him under arrest. He has not yet had a preliminary as the only witness had not arrived here up to last night. It is likely his hearing will be held this morning. From papers found on his body Leonard must have had considerable property, some in Pennsylvania and some notes, etc. in Nevada. Deceased had no relatives here but from letters he seems to have a sister in Pennsylvania and possibly a brother.

Leonard was an Odd Fellow in good standing belonging to a

lodge in Reno, Nevada. The local lodge of this city took charge of the body when it was brought in Thursday and it was buried in the L. O. C. F. cemetery Thursday evening. Deputy Dis. Atty. Leonard has written to Reno and to his relatives in the East as well as some business concerns in Reno.
